**SUBJECT: LETTER OF APPRECIATION**

The management wishes to thank you for the kind assistance and guidance for the ISO 9001:2000 project. Though our MR left us suddenly, you have indeed steered the committee without a slip of direction in achieving the ISO certification on time.

Once again, the management thanks you for the relentless effort you have put in and wishing you the best in every endeavour.

Yours Sincerely,

.....  
Lee Kwok Kuen
