

# Partners Award

The PARTNERS (Parents, Teachers, Neighbourhood Resources in Synergy) Award is presented by COMPASS (COMMunity and PARENTs in Support of Schools) biennially to schools in recognition of their efforts towards promoting and strengthening collaborative partnerships with their stakeholders in education. These stakeholders would include students, parents, teachers, principals, MOE HQ, the School Advisory Committee members, Alumni, the community and business organizations.

In 2002, 95 schools applied for the inaugural award. Of these, there were 3 winners for the Outstanding Award and 8 winners for the Merit Award. Gongshang Primary School was among the 8 winners. Merit Award winning schools are eligible to apply for the Outstanding Award after 2 years. In 2004, Gongshang Primary School applied for the Outstanding Award in April and we are honoured to achieve the Outstanding Award.

Thanks to all stakeholders! Cheers!
